PBT

This substance is not identified as a PBT substance.

3.0 Composition/information on ingredients

## Glentham

## Safety Data Sheet

www.glentham.com

### 3.1 Substances

| Name | Identifier %                                       | Classification   |
|------|--|--|
| SPS  | CAS: 27206-35-5<br>EC:<br>REACH: Not<br>applicable | H315, Skin Irr. 2<br>H319, Eye Irr. 2A<br>H335, STOT SE 3<br>H336, STOT SE 3 |

### 4. First aid measures

### 4.1 Description of first aid measures

| Skin contact | Consult a doctor. Remove all contaminated clothes and footwear immediately unless stuck to skin.<br>Wash immediately with plenty of soap and water. |
|--------------|---|
| Eye contact  | Consult a doctor. Bathe the eye with running water for 15 minutes.  |
| Ingestion    | Consult a doctor. Wash out mouth with water.  |
| Inhalation   | Consult a doctor. Remove casualty from exposure ensuring one's own safety whilst doing so.  |

### 4.2 Most important symptoms and effects, both acute and delayed

| Skin contact        | There may be irritation and redness at the site of contact.  |
|---------------------|--|
| Eye contact         | The eyes may water profusely. There may be irritation and redness.   |
| Ingestion           | There may be soreness and redness of the mouth and throat.   |
| Inhalation          | Exposure may cause coughing or wheezing. There may be irritation of the throat with a feeling of tightness in the chest. |
| Delayed / immediate | Immediate effects can be expected after short-term exposure  |

Delayed / immediate Immediate effects can be expected after short-term exposure.

### Indication of any immediate medical attention and special treatment needed

### Immediate / special treatment

Eye bathing equipment should be available on the premises.

### 5. Fire-fighting measures

4.3

### 5.1 Extinguishing media

Suitable extinguishing media for the surrounding fire should be used.

### 5.2 Special hazards arising from the substance or mixture

### Exposure hazards

In combustion emits toxic fumes.

### 5.3 Advice for fire-fighters

Wear protective clothing to prevent contact with skin and eyes. Wear self-contained breathing apparatus.

### 6. Accidental release measures

### 6.1 Personal precautions, protective equipment and emergency procedures

#### Personal precautions

Do not create dust. If outside do not approach from downwind. If outside keep bystanders upwind and away from danger point. Mark out the contaminated area with signs and prevent access to unauthorised personnel. Refer to section 8 of SDS for personal protection details.

### 6.2 Environmental precautions

Do not discharge into drains or rivers.

### Methods and material for containment and cleaning up

### Clean-up procedures

Transfer to a closable, labelled salvage container for disposal by an appropriate method.

6.3

# Glentham

Safety Data Sheet

www.glentham.com

| 6.4 Referen | ce to other sections |
|-------------|----------------------|
|-------------|----------------------|

Refer to section 8 of SDS.

### 7. Handling and storage

### 7.1 Precautions for safe handling

### Handling requirements

Avoid direct contact with the substance. Avoid the formation or spread of dust in the air. Do not handle in a confined space. Ensure there is sufficient ventilation of the area.

### 7.2 Conditions for safe storage, including any incompatibilities

Storage conditions

Avoid contact with water or humidity. Keep container tightly closed. Store in cool, well ventilated area.

### 7.3 Specific end use(s)

No data available.

### 8. Exposure controls/personal protection

### 8.1 Control parameters

Workplace exposure limits

No workplace exposure limit control parameters set

### 8.2 Exposure controls

| •                      |   |
|------------------------|---|
| Engineering measures   | Ensure there is sufficient ventilation of the area.   |
| Respiratory protection | Respiratory protective device with particle filter. Self- contained breathing apparatus must be available in case of emergency. |
| Hand protection        | Protective gloves.  |
| Eye protection         | Ensure eye bath is to hand. Safety glasses.   |
| Skin protection        | Protective clothing.  |

### 9. Physical and chemical properties

### 9.1 Information on basic physical and chemical properties

| Physical state                                    | Solid              |
|---|--------------------|
| Colour  | White              |
| Odour   | No data available. |
| Melting point/Freezing point                      | No data available. |
| Boiling point/initial boiling point/boiling range | No data available. |
| Flammability                                      | No data available. |
| Lower/Upper explosion limit                       | No data available. |
| Flash Point                                       | No data available. |
| Auto-ignition temperature                         | No data available. |
| Decomposition temperature                         | No data available. |
| рН  | No data available. |
| Kinematic viscosity                               | No data available. |
| Solubility  | 600 g/L @ 25 °C    |
| Partition coefficient n-octanol/water             | No data available. |
| Vapour pressure                                   | No data available. |
| Density/relative density                          | No data available. |
| Relative vapour pressure                          | No data available. |
| Particle characteristics                          | No data available. |
| they information                                  |                    |

### 9.2 Other information

No data available.

### 10. Stability and reactivity

10.1 Reactivity

Stable under recommended transport or storage conditions.
